Includes: Tournament prizes and B-B-Q Lunch after the event!
SIGN UP IN THE GOLF SHOP!

MEMORIAL DAY BBQ • Monday, May 26
1:00pm to 3:00pm • BBQ Only - $22
It's time for the “Country Club Sharks” to start practicing! It's hard to believe but the swimming pool will be opening up, in just a few weeks, during the Memorial Day weekend. The swim team will kick off their season with sign-ups at poolside on Tuesday, May 6th. Coaches Kieffer and Nate will return with the help of Team Mom, Mila DalPorto. The “Sharks” official practice will begin on Wednesday the 7th.

In addition to our current membership recruitment program, the Board has approved the Aquatics/Fitness Membership on the recommendation from the Membership Committee. This membership begins Saturday, May 24th and ends after the pool closes on Monday, September 1st. Privileges include usage of the fitness center, swimming pool and the clubhouse. Children under 18, on this membership may join the Junior Sharks Swim Team as well as participate in the Junior Golf Programs. The entry fee is $750 and the membership is also responsible for the food and beverage minimum. Prospective members must be sponsored by two existing members of the club and go through the application process as stated in the Bylaws. Please call me if you have any friends interested or you would like more information on any of the memberships we offer.

The Centennial Committee is in full swing with the events coordination being chaired by Janet Salvetti. Their big “Concert on the Green” will be a tribute Beatles Band in mid August. Don't miss this fun filled dance/rocking evening! Peter Ottesen is also doing a wonderful job in gathering historical information on the Club! Old photos and stories are still needed for his final manuscript for our “Centennial Celebration” book. Sponsorships are being offered to our membership as well as local business to partner with the Club in celebrating our hundred year birthday!

Congratulations to the Men’s Invitational committee! They have put a remarkable event together and have SOLD OUT the tournament! The competition begins with their practice round on Thursday, May 15th. The Women’s Invitational, chaired by Adrienne Hotchkiss, will be honoring the Club's Centennial and will be played in the month of June.

A huge “Thank You” to Jerry, Patty and Randy Shipman for donating, building and setting the new bridge on the #10 fairway. It's beautiful! Mike Donaldson and Garret Becker were also instrumental in the completion of the project by donating services or product. Thanks also to Garry and Becky Potten for sprucing up the drinking fountain on the #16 tee box which definitely needed it!

There is a BUZZ around our clubhouse, the membership and the community in general, about the new membership recruitment program and incentives being offered. Remember, sponsor a new member and both of you could benefit with monthly incentives, up to $100.00 for two years! The program is available in E-Packet form online. Please call me or Stephanie White for the link. It's a happening place. Invite your friends to join the FUN!

See you at the Club.

Bob Young

Message from the General Manager,
Bob Young

CENTENNIAL EVENT SPONSORS

If you or your business would be interested in sponsoring or co-sponsoring one of our Centennial events, please call Bob Young at 466-4313 ext. 13 and he will inform you of the opportunities available.
FROM THE PRESIDENT

One Hundred New Members in One Hundred Days celebrating our One Hundred Year Anniversary.

This Membership Drive kicked off on April 3rd with a presentation to our Members by Steve Graves, President of Creative Golf Marketing, the firm we hired to lead us in this campaign. All who attended left with a lot of enthusiasm and feeling that we can accomplish this. This first day we already had two new members with only 98 more to go to meet our goal. All of our Members are encouraged to ask their friends and acquaintances to join us in this unique drive. Read the material you’ve been given, and you’ll agree that it’s a “win-win” situation for both you and the person or persons you sponsor. To quote Mr. Graves, “The primary goal of your Board of Directors is to strengthen our Membership base and in so doing, provide the financial foundation to allow for the continued improvement of our extraordinary Club.”

THANKS to Garrett Becker, one of our members, who replaced a broken caster on each of a few chairs that were in storage at a very minimal cost; these chairs are now back in the A. G. Spanos Grill. Also, David Miller, CEO of Goodwill Industries, had one of their trucks in our parking lot on March 31 to collect the electronic waste that was in our storage; SGCC members and Stockton Chamber members were invited to bring their electronic waste also. These two activities completely freed up one of our storage areas.

EVENTS: The Rotary Club of Stockton had over 300 members in attendance to entertain the International President of Rotary International on March 31. Rotarians from throughout the District praised our Club’s facilities, the food and the service. The m2 Wine Dinner was outstanding. Chef Julie did a great job pairing delicious food with the wines. You missed a very nice evening if you did not attend.

I would like to recommend that you put SGCC among your regular dining destinations.

Check your calendars for the many fun-filled Centennial Events coming up. June 14 – “Family Campout on the Range” is a new event and is packed with all kinds of games, S’Mores by the campfire, BBQ, full breakfast, music, singing, and surprises! Get your tents ready and plan to be there with your family and friends!

What a great time to be a member of Stockton Golf and Country! Enjoy the spring season and your Club!

See you at the club...

Jim

Marc Cerri - Jr. Ex.
On Friday, March 21, if you were one of the 37 senior men to participate in our Senior Men's Club kick-off tournament, you made a great decision. Golfers arriving at the club were greeted at the registration table by our 4 beautiful (self-named) “Check-in Chicks”; Candy, Jan, Janet, and Becky. Not a bad way to start the day, eh? After check-in, we were treated to a scrumptious breakfast before the round of golf. Upon completion of our round we enjoyed a delicious lunch, which preceded our awards ceremony. Sixteen of the 37 player field shared in the $226.00 prize fund. And get this, the whole shebang only cost $25!! Heck, you can’t stay at home for that little. But don’t fret, there are plenty of opportunities left this season with our Home and Home events.

Our first Home and Home tournament was played at Discovery Bay on Wednesday, April 9. Twenty players made the 35 minute sojourn to the west and enjoyed a beautiful day of golf and camaraderie. Many players car pooled in the SGCC parking lot at 7:00 am and made the trip together. If you ever need a ride you should consider taking advantage of this benefit.

Of SGCC’s 20 entrants at Discovery Bay, 10 players shared $134.97 in prizes. Lance “Show me the money” Rieber was a member of the winning team pocketing $29.00 in club credit. Second place club credit for SGCC members Roy “I can’t believe I’m in the money again” Henderson and George “Early Riser” Retamoza, was $18.66 of club credit. Tony “Hey I really am a Senior Board member” walked away with closest to the pin honors, bagging a whopping $10.00.

By the time you read this bulletin, we will have played our second Home and Home tournament which hopefully took place on April 25, with Brookside, La Contenta, and Turlock playing at our beautiful course.

On May 23 we will be visiting Oakdale CC and June 6 Discovery Bay comes to SGCC. June 11 has us travelling to Woodbridge. Mark your calendars for these events…and while you are at it you can start planning for our 2nd Annual Senior Men’s Invitational which is scheduled for July 11th.

If you haven’t yet done so, please pick up your handy dandy wallet sized Senior Men’s schedule at the pro-shop. Your Centennial Senior Men’s Roster is also ready and waiting for you in the same locale. Speaking of the Roster, there are a couple of changes you might want to note:

Ray Lucas.................Change Phone to: 601-0800 Night Phone to: 478-2996
Guy Petzold...............Change to Guy Petzold
Hope to see you all on the course.

If profanity had an impact on the flight of the ball, the game of golf would be played a lot better.

MEMBER PROFILE

Roy Henderson

For some 40 years Roy has called Stockton Golf & C.C. his home away from home. Whether it’s a golf game, page of gin, or lunch in the A.G. Spanos Grill, you can bet you’ll run into him on any given day at the club.

Sponsored in to the club by Max Freeman and Bobby Rishwain, Roy remembers the early days at the club as being labeled as the biggest gambling club in the Valley. If your golf game didn’t fair so well, likely there was a card game or as he mentioned, a game of dominoes that was the big thing back in the 70’s. Additionally, he talked about the “Traditions” of the club back then, and recalls themed dances and tournaments. A few of the golf events were “Irish Day”, “Okie Day”, and “Portuguese Day”, and Holiday tournaments, most of which included dinner & dancing. Roy remembers making so many friends in the club and enjoying traveling to various tournaments.

The culture of the club has certainly changed over the years. The membership that was once made up of families of the family businesses that drove the city, are no longer. Many of those businesses are gone now and replaced with the big box stores. Roy went on to say that family dynamics have changed in most families as both parents are in the work place. They have many more activities to choose from and limited time to schedule everything.

Roy spoke of the newest clubhouse which opened in May 2006, as being a beautiful building with many rooms for entertaining. In 2013, Roy gathered his family for two special occasions; a family reunion dinner and a christening party of his youngest grandchild. Besides the golf course, pool, and fitness club, he went on to say he just loves the club. It’s a place I feel safe, enjoy time with good friends, and that has storied history, 100 years worth.

Golf professional Ed Traube joined the Stockton Golf & Country Club in 1923 and provided an incredible personality and continuity to the club for 47 1/2 years, including twice serving as its general manager during the Great Depression and also World War II, when he ran the whole shebang. In the 1930s when the club had an $8,000 debt, Traub arranged for six slot machines and, in three years, the debt was paid off. When the authorities threatened to raid the place Traub tossed the slot machines into the river. They were never recovered.

  - 9am Shotgun
Dear Friends...

It’s a great time to be a Member Stockton Golf & C.C. one of the oldest Country Clubs in America. Stockton Golf & Country Club has reached its 100th year as a club and we are celebrating! We have many grand events planned throughout the year; and with a strong membership drive it’s sure to be a year to remember.

May & June are abundant with golf activities. The most notable are our Men’s & Ladies Invitationals. The Men’s Invitational will kick off with a practice round on Thursday, May 15th and conclude on Saturday, May 17th with dinner, awards & live music performed by the “Garibaldi Band”. The Ladies Invitational will commence on Thursday, June 19th and wrap up on Friday, June 20th with lunch and awards. The Ladies have chosen an appropriate Birthday theme for their event which is filling up fast. Both events are sure to be extraordinary.

HANDICAP FLAGS

Handicap flags have recently been introduced to our golf course. These flags will allow golfers with limited mobility to get a little closer to the green with their golf cart; making golf a more enjoyable experience. Members and Guests will need to produce proper medical documentation to obtain such a flag for their golf cart. Golfers using the handicap flags must adhere to the following rules:

• Golf cart must stay at least 30 feet/10 yards away from all green and tee complexes.
• A golf cart can never go between a greenside bunker and a green.
• Player must adhere to all cart restrictions set forth by the golf course superintendent, including cart path only restrictions.

This new policy was approved by the course Superintendent and the Golf Committee.

JUNIOR GOLF

Our Jr. Golf programs are scheduled to start in June and sign-ups are underway. We offer instruction for all levels of junior golfers from ages 4-17. Our programs focus on teaching junior golfers, etiquette, rules, sportsmanship, full swing and short game in a fun, safe, positive atmosphere.

OUR JR. PROGRAM DATES ARE AS FOLLOWS:

<table>
<thead>
<tr>
<th>Jr. Jr. Program</th>
<th>Ages: 4-6</th>
<th>Dates: Tuesday – Friday, June 24th – 27th</th>
<th>Time: 10:30 – 11:30am</th>
<th>Fee: $50.00</th>
</tr>
</thead>
<tbody>
<tr>
<td>Junior Program 1</td>
<td>Ages: 7-17</td>
<td>Dates: Tuesday, Wednesday, Thursday, July 8, 9, 10 &amp; 15, 16, 17th</td>
<td>Time: 9:00 am – 10:00 am</td>
<td>Intermediate &amp; Advanced Classes 10:15 am – 12:30 am Play ability groups – Upon Availability 10:30 am – 11:30 am Beginner Classes</td>
</tr>
</tbody>
</table>

Junior program entry forms are being mailed out.

See You On The Course!

Rich Howarth

Message from the Director of Golf
Rich Howarth, PGA
Rhowarth@stocktongolfcc.com
Kelley’s Korner...

It’s an exciting time around the club these days with many activities and the planning of so many more to come throughout the year as we celebrate the club’s centennial year. The Board and the various Committees are working hard to plan events that will commemorate this special year.

Golf activities at the club have been in full swing since the middle of March with outside tournaments when we played host to the NCGA/NCPGA Junior Tour. As we carve into the golf season, we will host nearly 30 outside events throughout the year. Additionally, SGCC will deliver many club events such as the Men’s & Ladies Invitational’s to be staged in May & June, respectively, just to name a few featured events.

Events are being designed for the juniors with camps beginning at the end of June with the Jr-Jr camp ages 4-6 years old, followed by Jr. Camps I & II scheduled in July for the 7-17 years old players. Registration forms will be mailed in the club billing.

News about the Professional Staff: A big congratulations goes out to Matt Marmon, our assistant golf professional, who recently passed his playing ability test for the PGA. The requirement was to match or beat a target score (155) set by the PGA. Matt put together rounds of 77-75=152 in a 36 hole qualifier. His next step is to apply for the apprentice program of the PGA and work towards his class “A” status as a PGA Professional. Great job Matt, keep up the good work.

And then there was my tournament in March... the LPGA National Pro-Am at the famed Mission Hills C.C. in Rancho Mirage, Ca. Admittedly by default, a fellow LPGA pro went on the injured reserve, and I was called up to take over her team and play in the event. The LPGA Pro-Am presented by the Volvik Company, staged 27 teams made up of 4 amateurs & 1 professional with a 2 best ball format playing on the Dinah Shore course where the LPGA Tour was to play the very next week.

Winning Gross & Net teams would receive prize money, trophies, Volvik golf bags, and ceremonial robes after their leap into “Poppy’s Pond” off the 18th green. Well, I didn’t get to make the leap, but my team did WIN the Gross division of the event. Wow, so much fun for me and thrilled to come home a winner!

See you around the club!

Kelley Spooner

Some needed rain...

We experienced some recent rain at the golf course, and it was indeed very welcome. A slow steady rain is the best irrigation the golf course can receive. The total average rainfall for our course in Stockton is around the 14 inch mark, and the total recorded amount of rain on the golf course since last October is a little over 4 inches. We could really use monthly rain intervals of around 2 inches to keep our struggling Coastal Red Woods a lot happier.

One of the issues we face with our trees is the rain simply has not fallen consistently enough over recent years to penetrate the ground directly under the branches to help flush all the sodium laden irrigation water we irrigate with down through the root zone. You may still see us doing a rain dance or two on the course.

Spring greens aeration went relatively smoothly and we are seeing some pleasing results. The holes have closed over in a timely fashion and we have lowered the height of cut on the greens to our regular summer height. We now look to increase the speed and firmness of the green surfaces again, while maintaining a healthy stand of grass.

The summer forecasters are talking of some great weather for golf this summer, and what a great opportunity that presents to our members to invite some new prospective members to come and experience what Stockton Golf & Country Club has to offer in this 100th Anniversary Celebration year.

See you on the course.

Rob Williams

Message From Head Golf Professional
Kelley Spooner, LPGA
KSpooner@stocktongolfcc.com
Tuesday Ladies

Once again, Susan Marks and Jan Morrison presented our Tuesday Ladies with a beautifully decorated, great menu, and a fun game for our St. Patrick’s Day Party. Most of our ladies turned out wearing something green in honor of the day.

As I write this we are in the process of preparing for our April 29th neighborhood party. Invited clubs are Brookside Country Club, Discovery Bay Country Club, Spring Creek Golf & Country Club, and Woodbridge Golf & Country Club. Several of our member are helping to put this together for exhilarating day.

The SGCC Centennial has provided our club with much more activity than usual and due to this some of our dates have been changed. Match Play on April 15th and 22nd was canceled.

At this time, there are no changes reported for May but June dates 10th and 17th have been changed to the 17th and 24th for our Tournament of Champions. We will not play on Tuesday June 10th but will play Friday June 13th, as it stands now.

Joyce Belt has been hard at work preparing for our Team Play events for the coming summer. Our first match will be May 1st with Del Rio. It has been a relatively quiet year so far and our turnout has been pretty good but we’re hoping to see some of those people that have been under the weather or supporting their children/grandchildren, or doing that horrible four letter word - work, to help with the Team Play Away Tournaments. Please put your name on the board in the Ladies Lounge.

Thursday Ladies

After some torrential rain, aeration, amazing golf maintenance and recovery, we feel so fortunate to be enjoying this fabulous spring out on the links at SGCC. Life is good and golf is great!

We officially opened our golf season by inviting golfing friends to our first Guest Day on March 13th. A special thank you to Toni Murdock and Kelley Spooner who organized our day. Each guest left with a commemorative ball and Centennial marker. Winning first place that day was the team of Gayle Jennings, Mary Westin, Jan Jordan and Annette Brass. Second place winners were Linda Vater, Cheryl Dinjian, JoAnne Deegan, Patti Roddick, and winning third place were Judy Hong, Cathy Sandborn, Denise Zizzo, Georgeanne Chan.

The Transitional Learning Center was the recipient of our Charity Day tournament this year. Sara Garfield spoke to our ladies and expressed the importance of this accredited school providing education for transitional students who do not qualify for a traditional classroom due to homelessness! Through the generosity of our ladies, we donated $850 to this worthy cause. Sara Garfield has volunteered her efforts for twenty-three years to make a difference in the lives of these children. Thank you to Barbara Fichtner and Donna Nunes, our chairwomen for organizing a great day. Thank you ladies!

Our group has just enjoyed two wonderful rounds of golf competing as teams in our Intra-club tournament. Foursomes were evenly matched with handicaps while playing two best net balls of the foursome. All players were able to contribute for this team event! We enjoyed festivities with a delicious luncheon which was organized by our chairman, Lynn Cook. It was no surprise that the teams were closely matched, but the team of Toni Murdock, Meredith McCormack, Bonnie Brown, Adrienne Hotchkiss and Sandy Albaugh took first place. They were followed by the second place team of Linda Stead, Virginia Gall, Barbara Fichtner, Lori Daugherty and Mattie Zedlitz. Coming in third place were Ardythe Hess, Jana Lane, Donna Nunes, Erlene Raspo, and Lynn Cook. Many thanks to Lynn and Kelley Spooner for a great tournament!

Eight of our ladies also competed in our first Team Play event at Brookside. We are happy to report that the results were encouraging, and we will continue to keep the competition lively. Look for the signup sheets and go to enjoy a day while meeting other golf enthusiasts from various clubs throughout the valley.

On May 8th, we will have another chance to invite our friends for a Guest Day! It should be a day of great fun as Marcia and Maureen Stonebarger plan a day of “Cherries Jubliee”!

Reservations are flying in for our Invitational Birthday Bash! Adrienne Hotchkiss, Susan Filios and their committee are finalizing great plans for our Centennial Invitational on June 19th and 20th. Be sure to get your reservation in the mail. See you on the course!

Gayle Jennings, Captain
Easter weekend started with the Easter Bunny making his appearance on Saturday followed by the Club’s traditional Easter Brunch services. We had many compliments from our membership and continue to seek any suggestions to making our next big buffet better than the last. Mother’s Day is right around the corner and we hope that you and your family will come and enjoy the day with us.

Our lunch, lounge, and dinner menus will be changing on May 2nd to reflect the season and offer more variety to our dining venues. The month of May will continue to include Tuesday Taco Tuesday alternating with Asian buffet, comfort food, and three-course features in addition to all our menus. The next Chef’s demonstration will be held on Thursday May 29th at 6pm in the Founder’s room. We will explore the application of Point Reyes Bleu Cheese in three courses and the evening would not be complete without wine. Please sign up soon!

As you have noticed the club has been extremely busy with outside events, on Easter weekend we held a prom of 550 young adults to turn around and set up for our Easter Brunch the next day and the past weeks we have served over 1000 meals just in 3 days time. Our staff did an outstanding job during the start of one of our busier times of the year. We continue to service the community and have received positive feedback on our surveys; they are booking for next year!!

Our dining venue hours are posted in our bulletin and as you know we have many options. One of the issues that clubs face that restaurants do not is variety and options in menu items. Restaurants have a target audience and for example are ethnic or concept based and club menus have to delve in all areas of trends and lifestyle changes. We are trying to meet the needs of membership in more ways such as offering more gluten free items. Feedback from our membership is very important in this area; we would like to hear all feedback good or bad so we can better meet the needs of our membership.

On behalf of my department, we thank you for your continued support. I have included some photos from some of our events (see below).

Best wishes and Bon Appétit!

Julie
Chef Julie

---

Special Note from the President and the General Manager

Due to a family emergency in Wisconsin, Roger Ludka has resigned his position as Food and Beverage Manager effective immediately.

We will miss him and thank him for his fine dedicated service to our Club and pray that this health issue is resolved successfully.

Jim Anthony, President
Bob Young, General Manager

---

SUGGESTION BOX

Located on the receptionist’s desk. Comments must be signed.

Suggestions will be gathered, dated, documented and reviewed on a weekly basis by the General Manager and directed to the appropriate department head or Club Committee.
That’s the goal as we embark on our “Centennial Celebration” Membership Drive! Many of our members have come by the office and asked for additional membership packets. REMEMBER: the Preview Membership requires your candidate to commit to a preview membership through June 30, 2015 without any payment of an initiation fee. If your prospective member decides to “buyin” to the Club there is a monthly credit of up to $100 for two years (twenty-four months) to the new member and YOU as the sponsor. The decision to buy in to the Club must be made by August 15, 2014. All membership categories are offering an incentive to the new member and the sponsor.

The membership drive will conclude on July 13, 2014.
